BLS E-Services Limited reports Q1FY26 Financial & Operational Performance

New Delhi, BLS E-Services Limited (BLSE), a technology-enabled digital service provider, announced its consolidated financial results for the quarter ended 30th June 2025.

Speaking about the performance and recent updates, Mr. Shikhar Aggarwal, Chairman, BLS E-Services Ltd. said: "We are pleased to deliver a strong start to FY26, as our Q1 performance reflects the depth and resilience of our business model. Total Income for the quarter grew significantly by 205.3% year-on-year, due to healthy traction in our businesses and consolidation of Aadifidelis Solutions. Our focus on operational discipline and value-led service delivery also led to an EBITDA

growth of 33.5%, while our Profit After Tax (PAT) increased by 38.7% YoY, reaffirming the scalability and strength of our platform.

I am excited to share that during the quarter, we have signed a definitive agreement with Sub-K Impact Solutions Ltd to acquire their Customer Service Points of SBI and HDFC Bank in a strategic slump sale which is subject to customary approvals. This acquisition will strengthen our CSP network across Andhra Pradesh, Telangana, Rajasthan, Maharashtra, Odisha, and Karnataka—serving nearly 5 million customers.

Our Business Correspondent and Business Facilitator models continue to drive financial inclu-

sion. We have onboarded over 10,000 retailers, entered into strategic partnerships with Bajaj Finserv and HDFC Bank, alongside innovations like Re-KYC, MicroATMs, and the CSP Plus rollout in Odisha, and have further deepened our rural outreach.

Beyond banking, we are expanding our digital footprint with a new project in Chhattisgarh for digitizing Sub-Registrar offices, streamlining land record registrations for enhanced transparency, launching Aadhaar enrolment in Rajasthan, and partnering with Delhivery for nationwide courier services. I thank our teams and partners for their unwavering dedication as we continue empowering communities through technology and collabora-

tion.

In Q1FY26, the company recorded consolidated total income of Rs. 251.2 Crores, reflecting a robust year-on-year increase of 205.3% over Rs. 82.3 Crores in Q1FY25. This significant growth was primarily driven by the expanded scale of the Business Correspondent segment as well as the strategic acquisition of Aadifidelis Solutions.

* EBITDA strengthened substantially to Rs. 24.9 Crores, up 33.5% YoY, from Rs. 18.7 Crores in Q1FY25. EBITDA Margin stood at 9.9% in Q1FY26.

* PAT demonstrated notable growth of 38.7%, reaching Rs. 17.5 Crores, underscoring strong financial discipline and sustained profitability.

redBus forays into affordable hotel segment; offers inventory in 2000+ Indian cities

With room rates starting at just ₹399, redBus Hotels brings affordable, quality stays across India—many beyond Tier 3 cities. The new offering includes hostels, homestays, guesthouses and lodges. The app-integrated discovery serves young, budget-conscious travellers with unmatched value and flexibility.

National, August 13, 2025: redBus, the world's largest online bus ticketing platform, has announced the launch of redBus Hotels, expanding its services to include budget-friendly accommodation for millions of Indian travellers. With this strategic foray, redBus is strengthening its position as a one-stop travel companion for the country's growing base of price-conscious and experience-seeking users. The trust associated with redBus is carried over to the budget hotel segment.

Prakash Sangam, Chief Executive Officer, redBus said, "redBus has long been at the forefront of offering affordable, reliable transport. We're now extending that promise to budget-friendly stays, giving travellers the same convenience and trust that they have come to expect from us."

With redBus Hotels, travellers can compare and book verified accommodations online—saving time, avoiding uncertainty, and finding the right fit without walking from place to place. This platform is also intended to help budget hotels, hostels, and homestay owners boost their visibility, improve occupancy, and grow their business."

7	Earnings per share (of Rs.10/-each) (for continuing and discontinued operations)			
	(a) Basic EPS	(4.57)	(8.30)	(0.18)
	(b) Diluted EPS	(4.57)	(8.30)	(0.18)

Notes:

- The above financial results have been prepared in accordance with Indian Accounting Standards as prescribed under section 133 of the Companies Act 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.
- The above financial results were reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at their meeting held on August 12, 2025.
- The Company's business activity falls within a single operating business segment of Trading in Real Estate Materials.
- The Parliament of India has approved the Code on Social Security, 2020 (the Code) which may impact the contributions by the Company towards provident fund, gratuity and ESIC. The Code has been published in the Gazette of India. However, the effective date has not yet been notified. The Company will assess the impact of the Code when it comes into effect and will record related impact, if any, in the period the Code becomes effective.
- The shareholders of the Company have approved the program of initiating a pre-packaged insolvency resolution process under section 54 read with section 10 of the Insolvency and Bankruptcy Code, 2016 as amended vide the Insolvency, and Bankruptcy Code (Amendment) Ordinance, 2021 dated April 26, 2021, through special resolution in the extraordinary general meeting held on May 27, 2021. The National Company Law Tribunal, Ahmedabad has passed an order approving the Resolution Plan on September 05, 2023. Pursuant to the order, the Company is in the process of completing statutory, financial and operational formalities including amalgamation, effect of such plan has not been given in the above financial statement, however under the resolution plan, share capital of the Company is reduced from 600.55 lakhs to 38.24 lakhs resulting into reduction of 562.31 lakhs which is credited to Capital Reserve and it has been duly filed and recorded with the Ministry of Corporate Affairs. The requisite intimations and filings in respect of the said capital reduction with Stock Exchange are currently in process.
- The Statement includes the results for the quarter ended March 31, 2025 being the balancing figure between audited figures in respect of the full financial year and the published unaudited year to date figures upto the third quarter of that financial year which were subjected to limited review.
- Previous period figures have been regrouped / reclassified, wherever necessary, to conform to current period's classification.

Crackdown on Russian oil exports a big setback for Reliance, shares dip

New Delhi, Aug 13 (IANS) US President Donald Trump's crackdown on Russian oil exports has come as a major blow to Mukesh Ambani-led Reliance Industries Ltd. (RIL), which was a major importer of the cheap crude for processing at its giant oil refinery in Jamnagar on the Gujarat coast.

The setback is also reflected in the decline in prices of Reliance shares in recent days after Trump stepped up his rhetoric against the purchase of

Russian oil by India. In the last 30 days, the blue-chip stock fell nearly 7 per cent. At 2.38 p.m. on Tuesday, the scrip was trading at Rs 1,380, down 0.40 per cent. The RIL share price has crashed around 11 per cent from its 52-week high of Rs 1,551. According to a report in the Financial Times, Mukesh Ambani-led Reliance was one of the biggest gainers of Russian crude purchases. The report cites Amrita Sen, director of research at data and analysis consultancy Ener-

gy Aspects, as saying that private Indian refiners like Reliance had gained even more than government-owned competitors, such as Indian Oil and Bharat Petroleum, because they exported more of their oil products. Sen pegs the gains of Reliance Industries through the purchase of cheap Russian oil at around \$6 billion. The US previously did not object to oil imports from Russia, as long as they were priced below the \$60-a-barrel price cap fixed by the G7

countries to limit Russia's earnings.
